

Consultation Notice

The Ministry of Education has identified that Hutt Intermediate School is overcrowded and has given the school board notice of this.

After consultation with the board, we have developed a proposed enrolment scheme amendment for the school under section 72 of the Education and Training Act 2020.

As part of this process we are consulting with the school's community and with people living in the area for which the school is a reasonably convenient school.

The enrolment scheme amendment could affect which school a student will be entitled to enrol in.

Today we are opening the consultation phase of the process. Please follow this link for further information and links to maps and how to feedback.
