

# Hutt Intermediate Learning Challenges

These challenges are **optional** and are designed to encourage students to continue their learning beyond the classroom. They are designed for students of all abilities and provide direction for them to learn new and exciting things and pursue interests and skills they are already passionate about.

## Instructions

- ❖ To earn a badge for a Learning Challenge you must complete activities which total up to 50 points on that challenge sheet.
- ❖ When you complete an activity you need to share it with a member of your whanau and your class teacher. Both need to sign and date the activity on the Challenge Card to show that they are impressed with your work.
- ❖ When you have completed activities totalling 50 points on your Challenge Card you will qualify for a badge. (You can complete more if you wish to)
