

HUTT INTERMEDIATE WEEKLY

TE KURA WAENGANUI O AWA KAIRANGI

20th September 2018

Acting Principal's Comment

Kia ora koutou

It is lovely to feel that spring is finally here and the students are enjoying the opportunities to get outside and shake off the winter blues.

We are already starting to plan for 2019. This includes looking at our staffing and class organisation. Next year we are excited to be moving to a new structure of five teams consisting of two Year 7 and two Year 8 classes in each team. We believe that this will help to develop stronger relationships between our Year 7 and Year 8 students and offer our Year 8 students more opportunities to demonstrate their leadership skills as they help the Year 7's settle into life at Hutt Intermediate. In light of the new team structure and staff changes, some of our Year 7 teachers may be teaching Year 8 in 2019.

We are currently beginning to organise our Year 8 classes for 2019. If there is any important information you would like us to be aware of when placing your child in a class, please email either Mrs Kelly or myself before the end of term (Friday 28th October). Also, if your current Year 7 child is not returning next year, please let us know as soon as possible.

It is lovely to see our AIMS students back at school this week full of wonderful stories of their time in Tauranga. We are incredibly proud of how our teams and individuals performed both in and out of the sports arena. The teams and results are on the next page. We would like to thank all those who were involved with the AIMS Games campaign for Hutt Intermediate this year – coaches, managers, cooks, supporters. We had a huge number of parent supporters in Tauranga this year and as always, having this support contributes to the success of teams. We would also like to acknowledge all the hard work our Sport Co-ordinator, Paula Willis-Love, who did a tremendous job organising the event for us.
