

Technology

Challenges	Points	Student	Whanau	Teacher
T1 - Research the evolution of a piece of technology you use everyday. Eg telephone, cell phone, computer, camera, TV. Present your findings as a timeline with pictures.	5			
T2 - What is Technology? Look at the different definitions and write your own.	5			
T3 - Choose a piece of technology that interests you. Explain how it works. Make sure to include pictures.	5			
T4 - Create a series of 5-8 questions and interview at least 2 people about how technology has changed over their lifetime.	5			
T5 - Use Scratch to design a game or animation.	5			
PAO5 - Develop a physical challenge activity for you and a friend or family member to achieve. E.g. Flexibility challenge, beep test, timed plank hold, pull up challenge etc.	5			
PAO6 - Train for and take part in a physical community event e.g. Weetbix Tryathlon, Round the Bays.	10			
PAO7 - Create a photographic diary of at least 5 different outdoor activities you have done this year.	10			
PAO8 - Photograph at least 5 native birds. You will need to research best places/feeding spots in order to see them. Present your photos with facts about each bird in a way of your choice.	10			
PAO9 -Participate in a community first aid course.	10			
PAO10 - Join a group whose focus is the outdoors. E.g. Scouts, guides, athletics, tramping club etc. Attend this group for at least a term.	10
